DETAILED ACTION***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose a half-bridge circuit having, inter alia said first MOS transistor having a first load path connection that are accessible at said front side of said first semiconductor body and a second load path connection that is accessible at said rear side of said first semiconductor body; said second MOS transistor having a first load path connection that are accessible at said front side of said second semiconductor body and a second load path connection that is accessible at said rear side of said second semiconductor body (claims 1 and 12); said capacitor being applied to said first semiconductor body and to said second semiconductor body, and said capacitor having a first connection connected to said first semiconductor body and a second connection connected to said second semiconductor body (claims 3 and 13). The remaining claims 5-11 are allowed by virtue of their dependencies on the independent claims 1 and 3. Thus the examiner has allowed claims 1, 3 and 5-13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Haissa Philogene whose telephone number is (571) 272-1827. The examiner can normally be reached on 6:30 A.M.-6:00 P.M..
